BUILD HOPE WHERE SHE LIVES

May 16, 2026
The Grecian Center
16300 DIX TOLEDO RD,
SOUTHGATE, MI 48195

Dear Sponsor,

We're excited to invite you to support "**She is Your Neighbor**", an event hosted by Enchanted Makeovers on Saturday, May 16, 2026 at the Grecian Center in Southgate, Michigan.

This unique experience will bring together people who have turned their dreams into reality, those just beginning their entrepreneurial journey and everyone wanting to have fun while supporting a worthy cause. The event room will be transformed into a welcoming neighborhood where women who have founded companies will sell their products while sharing their stories in front of hand painted cottages. Attendees will also be inspired by special musical guests, renowned inspirational speakers, silent auction, shopping, music, live podcast and more all while enjoying a family style meal and drinks. Guest will be invited to bring a non-perishable item that will be donated to The DRE Project helping families who need it most.

We invite you to become a sponsor for this very special event. Your tax-free contribution will benefit Enchanted Makeovers, a national 501 (c) 3 non-profit organization, as they support women and children living in shelters through their 6 core programs. Further information about Enchanted Makeovers' mission is included in the attached materials.

Warm regards,
Terry Grahl, CEO

ABOUT *Enchanted Makeovers*

Founded by Terry Grahl, Enchanted Makeovers has been inspiring women and children living in shelters since 2007. This national 501 (c) 3 non-profit organization is passionate about their mission to serve women, children and female veterans. For the many who have battled human trafficking, post-traumatic stress disorder, and domestic violence, Enchanted Makeovers' message is clear, "you matter, and you are worthy"! Their core programs are designed to not only inspire and empower women and children re-building their lives in shelters but the entire "village" that supports them! A big part of why what they do resonates with the people they serve is because they believe in the power of "handmade". When volunteers make handmade treasures for their various programs such as "Capes for Kids" and the "Doll Adoption Program", the love is felt by all who receive these unique gifts. Enchanted Makeovers can proudly say 92-95% of monetary donations go directly to their projects and programs!
